Of Gods & Monsters Jun 22 2019 "I don't think getting to know me that intimately is part of the job description," I whispered in her ear, amused by the salacious thoughts. Who'd have guessed the stiff in the lab coat would have such a dirty mind? "Let me make this clear. I would never touch a filthy mortal like you in such a way." Dr Quentin Scott doesn't believe in the Gods. Forsaken at every turn of her life, she refuses to kneel before them and beg for scraps. But when she is recruited to the E.L.I. project, Quen is forced to come face to face with the Gods she detests. Grayson, God of Chaos, never wanted to be part of the project. He would happily spend his days in Upper Elysia, watching the madness he created unfold amongst the mortals, but he's outnumbered. When he's paired with a disrespectful nonbeliever, Gray's temper leads his every action. And then he senses the chaos that lies beneath the pretty façade, and he vows to break her. As Grayson and Quentin lock horns over the smallest things, something sparks between them. But a spark can become a raging inferno in the blink of an eye and the damage done may be irreparable. When secrets emerge that could shift the balance of powers in Elysia, decisions must be made and there's no such thing as an easy choice. The Gods have come to play, but it's a dangerous game. Who can you trust? ?*This book contains sexually explicit scenes, mature language, discussion of deceased parents and a train accident and OM/OW drama. Not intended for readers below 18. Dance of the Gods Jul 28 2022 Combining elements of the supernatural with gripping suspense and seduction, #1 New York Times bestselling author Nora Roberts presents the second novel in her Circle Trilogy... And he saw the woman who'd ridden him, slashing destruction with a flaming sword... Blair Murphy has always worked alone. Destined to be a demon hunter in a world that doesn't believe in such things, she lives for the kill. But now, she finds herself the warrior in a circle of six, chosen by the goddess Morrigan to defeat the vampire Lilith and her minions. Learning to trust the others has been hard, for Blair has never allowed herself such a luxury. But she finds herself drawn to Larkin, a man of many shapes. As a horse, he is proud and graceful; as a dragon, beautifully fierce; and as a man...well, Blair has never seen one quite so ruggedly handsome and playfully charming as this nobleman from the past. Sleeping Giants Dec 09 2020 A page-turning debut in the tradition of Michael Crichton, World War Z, and The Martian, *Sleeping Giants* is a thriller fueled by an earthshaking mystery—and a fight to control a gargantuan power. A girl named Rose is riding her new bike near her home in Deadwood, South Dakota, when she falls through the earth. She wakes up at the bottom of a square hole, its walls glowing with intricate carvings. But the firemen who come to save her peer down upon something even stranger: a little girl in the palm of a giant metal hand. Seventeen years later, the mystery of the bizarre artifact remains unsolved—its origins, architects, and purpose unknown. Its carbon dating defies belief; military reports are redacted; theories are floated, then rejected. But some can never stop searching for answers. Rose Franklin is now a highly trained physicist leading a top secret team to crack the hand's code. And along with her colleagues, she is being interviewed by a nameless interrogator whose power and purview are as enigmatic as the provenance of the relic. What's clear is that Rose and her compatriots are on the edge of unraveling history's most perplexing discovery—and figuring out what it portends for humanity. But once the pieces of the puzzle are in place, will the result prove to be an instrument of lasting peace or a weapon of mass destruction? Praise for *Sleeping Giants* "As high-concept as it is, *Sleeping Giants* is a thriller through and through. . . . One of the most promising series kickoffs in recent memory, [and] a smart demonstration of how science fiction can honor its traditions and reverse-engineer them at the same time."—NPR "Neuvel weaves a complex tapestry with ancient machinery buried in the Earth, shadow governments, and geopolitical conflicts. But the most surprising thing about the book may just be how compelling the central characters are in the midst of these larger-than-life concepts. . . . I can't stop thinking about it."—Chicago Review of Books "A remarkable debut . . . Reminiscent of Max Brooks's *World War Z*, the story's format effectively builds suspense."—Library Journal (debut of the month) "This stellar debut novel . . . masterfully blends together elements of sci-fi, political thriller and apocalyptic fiction. . . . A page-turner of the highest order."—Kirkus Reviews (starred review) Don't miss any of The Themis Files by Sylvain Neuvel: SLEEPING GIANTS | WAKING GODS | ONLY HUMAN

Master of Sorrows Feb 08 2021 You've heard the story before: an orphaned boy, raised by a wise old man, comes to a fuller knowledge of his magic and uses it to fight the great evil threatening his world. But what if that hero were destined to become the new dark lord? The Academy of Chaenbalu has stood against magic for centuries. Hidden from the world, acting from the shadows, it trains its students to detect and retrieve magic artifacts, which it jealously guards from the misuse of others. Because magic is dangerous: something that heals can also harm, and a power that aids one person may destroy another. Of the academy's many students, only the most skilled can become avatars—warrior thieves, capable of infiltrating the most heavily guarded vaults—and only the most determined can be trusted to resist the lure of magic. More than anything, Annev de Breth wants to become one of them. But Annev carries a secret. Unlike his classmates who were stolen as infants from the capital city, Annev was born in the village of Chaenbalu, was believed to be executed, and then unknowingly raised by his parents' killers. Seventeen years later, he struggles with the burdens of a forbidden magic, a forgotten heritage, and a secret deformity. When Annev is subsequently caught between the warring ideologies of his priestly mentor and the Academy's masters, he must finally decide whether to accept the truth of who he really is ... or embrace the darker truth of what he may one day become.

The Justice in Revenge Mar 24 2022 Featuring boardroom intrigue, masquerade balls, gondola chases, street gangs, and shapeshifting mages, Ryan Van Loan's *The Justice in Revenge* continues the *Fall of the Gods* series as Buc and Eld turn from pirates to politics and face the deadliest mystery of their career. The island nation of Servenza is a land of flint and steel, sail and gearwork, of gods both Dead and sleeping. It is a society where the wealthy few rule the impoverished many. Determined to change that, former street-rat Buc, along with Eld, the ex-soldier who has been her partner in crime-solving, have claimed seats on the board of the powerful Kanados Trading Company. Buc plans to destroy the nobility from within—which is much harder than she expected. Stymied by boardroom politics and dodging mages at every turn, Buc and Eld find a potential patron in the Doga, ruler of Servenza. The deal: by the night of the Masquerade, unmask whoever has been attempting to assassinate the Doga, thereby earning her support in the halls of power. Blow the deadline and she'll have them deported to opposite ends of the world. Armed with Eld's razor-sharp sword and Buc's even sharper intellect, the dynamic duo hit the streets just as the shadow religious conflict between the Gods begins to break into open warfare. Those closest to Buc and Eld begin turning up with their throats slit amid rumors that a hidden mastermind is behind everything that's going wrong in Servenza. Facing wrathful gods, hostile nobles, and a secret enemy bent on revenge, Buc and Eld will need every trick in their arsenal to survive. Luckily, extra blades aren't the only things Buc has hidden up her sleeves. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Chosen by the Devil Jan 10 2021 Book 2 of the *Unruly Gods* series When three gods escaped Olympus, they had no idea how much trouble would come from it. Daphne is more comfortable with research than magic. The youngest Fate guarding the Gates of Crossing came into her powers late and the only way she can compete with the others is through knowledge. Is it any wonder why she'd fall for the thoughtful and intellectual Hades? Too bad that retreating into her scrolls isn't helping to snuff out the desires raging inside her for the god. Hades is desperate to resist his new and unsettling feelings toward the quietest Fate, especially when they're thrown together on a journey to uncover new information. The bookish Fate is a glowing light in his otherwise dark existence, and he sees that there is more to the raven-haired beauty than she knows. He's determined to help her harness the full potential of her powers... though he's losing his heart to her in the process. When they learn that Zeus has declared the unruly gods and their accomplice Fates as enemies—with their punishment being death—the gods and Fates must band together to come up with a plan. Can Daphne and Hades survive the wrath of the most powerful god? Or will their love be extinguished before it even begins?
