**The Terra-Cotta Dog** Jan 08 2021 “You either love Andrea Camilleri or you haven’t read him

yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano.” A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Andrea Camilleri's Inspector Montalbano has garnered millions of fans worldwide with his sardonic take on Sicilian life. Montalbano's latest case begins with a

mysterious tête à tête with a Mafioso, some inexplicably abandoned loot from a supermarket heist, and dying words that lead him to an illegal arms cache in a mountain cave. There, the inspector finds two young lovers, dead for fifty years and still embracing, watched over by a life-sized terra-cotta dog. Montalbano's passion to solve this old crime takes him on a journey through Sicily's past and into one family's darkest secrets. With sly wit and a keen understanding of human nature, Montalbano is a detective whose earthiness, compassion, and imagination make him totally irresistible.

**Cinematic Fictions** Apr 30 2020 The phrase 'cinematic fiction' has now been generally accepted into critical discourse, but is usually applied to post-war novels. This book asks a simple question: given their fascination with the new medium of film, did American novelists attempt to apply cinematic methods in their own writings? From its very beginnings the cinema has played a special role in defining American

culture. Covering the period from the 1910s up to the Second World War, *Cinematic Fictions* offers new insights into classics like *The Great Gatsby* and *The Grapes of Wrath* discussing major writers' critical writings on film and active participation in film-making. *Cinematic Fictions* is also careful not to portray 'cinema' as a single or stable entity. Some novelists drew on silent film; others looked to the Russian theorists for inspiration; and yet others turned to continental film-makers rather than to Hollywood. Film itself was constantly evolving during the first decades of the twentieth century and the writers discussed here engaged in a kind of dialogue with the new medium, selectively pursuing strategies of montage, limited point of view and scenic composition towards their different ends. Contrasting a diverse range of cinematic and literary movements, this will be compulsory reading for scholars of American literature and film.

*The Inheritance of Lion Hall* May 12 2021 An unconventional woman defies the rules of noble turn-of-the-century Sweden in an epic novel of love, secrets, family ties, and rediscovery by the bestselling author of *The Moonlit Garden*. Sweden, 1913. Having petitioned the court for independence from her aristocratic family, the young and vibrant Agneta Lejongård takes control of her destiny. In Stockholm, she explores her bohemian passions in art and free

love, joins the suffragette movement with her best friend, and defiantly resists the expectations of women in high society. Then comes news of a tragic accident and an urgent summons to return to the family's manor house in the country. As for Agneta's forward path in life, she must now follow it back home. Though the grand horse-breeding estate of Lion Hall stirs some warm memories, what lies ahead tests Agneta's independent spirit: a disapproving mother locked in the traditions of a woman's proper place, two men vying for Agneta's heart, and a twist of fate that upends her life once again. Torn between a daughter's duty and the freedom she pines for, Agneta struggles not only to rebuild her future, but also to protect the future of Lion Hall itself. [Rounding the Mark](#) Jun 20 2019 “You either love Andrea Camilleri or you haven’t read him yet. Each novel in this wholly addictive, entirely

magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano.” A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Two seemingly unrelated deaths form the central mystery of *Rounding the Mark*. They will take Montalbano deep into a secret world of illicit trafficking in human lives, and the investigation will test the limits of his physical, psychological, and moral endurance. Disillusioned and no longer believing in the institution he serves, will he withdraw or delve deeper into his work?

*The Forgotten Revolution* Aug 23 2019 The period from the late fourth to the late second century B. C. witnessed, in Greek-speaking countries, an explosion of objective knowledge about the external world. While Greek culture

had reached great heights in art, literature and philosophy already in the earlier classical era, it is in the so-called Hellenistic period that we see for the first time — anywhere in the world — the appearance of science as we understand it now: not an accumulation of facts or philosophically based speculations, but an organized effort to model nature and apply such models, or scientific theories in a sense we will make precise, to the solution of practical problems and to a growing understanding of nature. We owe this new approach to scientists such as Archimedes, Euclid, Eratosthenes and many others less familiar today but no less remarkable. Yet, not long after this golden period, much of this extraordinary development had been reversed. Rome borrowed what it was capable of from the Greeks and kept it for a little while yet, but created very little science of its own. Europe was soon smothered in the obscurantism and stasis that blocked most avenues of intellectual development for a thousand years — until, as is

well known, the rediscovery of ancient culture in its fullness paved the way to the modern age.

**An Ecstasy of Folly** Sep 16 2021 Early Christian communities accused each other's prophets of madness and of making false claims to divine knowledge. This book argues that they did not seek to answer questions about true prophecy or to define madness and rationality, but rather used this discourse to control knowledge, to establish authority, and to define Christian identity.

**Excursion to Tindari** Feb 27 2020 "The novels

of Andrea Camilleri breathe out the sense of place, the sense of humor, and the sense of despair that fills the air of Sicily." —Donna Leon  
A young Don Juan is found murdered in front of his apartment building one morning, and an elderly couple is reported missing after an excursion to the ancient site of Tindari—two seemingly unrelated cases for Inspector Montalbano to solve amid the daily complications of life at Vigàta police headquarters. But when Montalbano discovers that the couple and the murdered young man lived in the same building, his investigation stumbles onto Sicily's brutal "New Mafia," which leads him down a path more evil and far-reaching than any he has been on before.  
*Voice of the Violin* Dec 27 2019 "You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with

local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano.” A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Inspector Montalbano, praised as “a delightful creation” (USA Today), has been compared to the legendary detectives of Georges Simenon, Dashiell Hammett, and Raymond Chandler. As the fourth mystery in the internationally bestselling series opens, Montalbano’s gruesome discovery of a lovely, naked young woman suffocated in her bed immediately sets him on a search for her killer. Among the suspects are her aging husband, a famous doctor; a shy admirer, now disappeared; an antiques-dealing lover from Bologna; and the victim’s friend Anna, whose charms Montalbano cannot help but appreciate... But it is a mysterious, reclusive violinist who holds the key to the murder.

**To Each His Own** Jul 26 2022 This letter is your

death sentence. To avenge what you have done you will die. But what has Manno the pharmacist done? Nothing that he can think of. The next day he and his hunting companion are both dead. The police investigation is inconclusive. However, a modest high school teacher with a literary bent has noticed a clue that, he believes, will allow him to trace the killer. Patiently, methodically, he begins to untangle a web of erotic intrigue and political calculation. But the results of his amateur sleuthing are unexpected—and tragic. *To Each His Own* is one of the masterworks of the great Sicilian novelist Leonardo Sciascia—a gripping and unconventional detective story that is also an anatomy of a society founded on secrets, lies, collusion, and violence.

**Mount Allegro** Mar 22 2022 *Mount Allegro* is an extraordinary memoir, a celebration of Sicilian life, an engaging sociological portrait, a moving reminiscence of a fledgling writer’s escape from the restrictive culture in which he grew up. Jerre Mangione’s autobiographical

chronicle of his youth in a Sicilian community in Rochester is one of the truly enduring books about the immigrant experience in this country. Family squabbles, soul-nourishing food, and the casting of evil eyes are only some of the ingredients of this richly textured book, although they must all take second place to its unforgettable characters. As Eugene Paul Nassar writes in the book's Foreword, "Mount Allegro . . . gave a literary visibility and identity, amiable and appealing, to a poorly understood ethnic group in America, and did so at a very high level of artistry."

A Simple Story Feb 09 2021 In a small Sicilian village, a young and inexperienced policeman receives a strange phone call from a retired diplomat. On investigating the matter, he finds the diplomat dead. What at first appears to be a simple case of suicide turns into an intricate tale of corruption that involves the Mafia, the head of police, and the entire Sicilian establishment. Leonardo Sciascia (1921-1989) was born in

Sicily. One of Italy's &most important modern writers, he was also a controversial commentator on political affairs, especially within Sicily. In addition to notable mystery novels, including *The Day of the Owl* and *The Wine Dark Sea*, Sciascia wrote plays, short stories, and essays.

**The Shape of Water** Jun 01 2020 "You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen...transporting. Long live Camilleri, and long live Montalbano." —A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* *The Shape of Water* is the first book in the sly, witty, and engaging Inspector Montalbano mystery series with its sardonic take on Sicilian life. Silvio Lupanello, a big-shot in Vigàta, is found dead in his car with his pants around his knees. The car happens to be parked

in a part of town used by prostitutes and drug dealers, and as the news of his death spreads, the rumors begin. Enter Inspector Salvo Montalbano, Vigàta's most respected detective. With his characteristic mix of humor, cynicism, compassion, and love of good food, Montalbano battles against the powerful and corrupt who are determined to block his path to the real killer. Andrea Camilleri's novels starring Inspector Montalbano have become an international sensation and have been translated into numerous languages.

**The Snack Thief** Sep 04 2020 “The novels of Andrea Camilleri breathe out the sense of place, the sense of humor, and the sense of despair that fills the air of Sicily.” —Donna Leon When an elderly man is stabbed to death in an elevator and a crewman on an Italian fishing trawler is machine-gunned by a Tunisian patrol boat off Sicily's coast, only Montalbano, with his keen insight into human nature, suspects the link between the two incidents. His investigation leads to the beautiful Karima, an impoverished housecleaner and sometime prostitute, whose young son steals other schoolchildren's midmorning snacks. But Karima disappears, and the young snack thief's life—as well as Montalbano's—is endangered, the Inspector exposes a viper's nest of government corruption and international intrigue.

*Equal Danger* Dec 19 2021 District Attorney Varga is shot dead. Then Judge Sanza is killed.

Then Judge Azar. Are these random murders, or part of a conspiracy? Inspector Rogas thinks he might know, but as soon as he makes progress he is transferred and encouraged to pin the crimes on the Left. And yet how committed are the cynical, fashionable, comfortable revolutionaries to revolution—or anything? Who is doing what to whom? Equal Danger is set in an imaginary country, one that seems all too real. It is the most extreme—and gripping—depiction of the politics of paranoia by Leonardo Sciascia, master of the metaphysical detective novel.
