Shopping for a Highlander Oct 10 2020 I'm a professional chickenblocker. Except "chicken" is a euphemism. A Kind of Magic Jun 05 2020 A behind-the-scenes look at the making of the classic 1986 fantasy action-adventure film, featuring insights from the cast and crew. The story of an immortal Scottish warrior battling evil down through the centuries, Highlander fused a high-concept idea with the kinetic energy of a pop promo pioneer and Queen's explosive soundtrack to become a cult classic. When two American producers took a chance on a college student's script, they set in motion a chain of events involving an imploding British film studio, an experimental music video director still finding his filmmaking feet, a former James Bond with a spiralling salary, and the unexpected arrival of low-budget production company, Cannon Films. Author Jonathan Melville looks back at the creation of Highlander with the help of more than 60 cast and crew, including stars Christopher Lambert and Clancy Brown, as they talk candidly about the gruelling shoot that took them from the back alleys of London, to the far reaches of the Scottish Highlands, and onto the mean streets of 1980s New York City. With insights from Queen's Brian May and Roger Taylor on the film's iconic music, exclusive screenwriter commentary on unmade scripts, never-before-seen photos from private collections, and a glimpse into the promotional campaign that never was, if there can be only one book on Highlander then this is it! "A Kind of Magic: Making the Original Highlander tracks down an astonishing number of the film's cast and crew to give an unparalleled account of its creation . . . if you're one of the film's many fans this is the perfect companion." —The Courier, Book of the Week, 9/10 As well as being the story of the Highlander film itself, it's a fascinating look at the film-making process . . . Jonathan Melville's A Kind of Magic: Making the Original Highlander is an absolute joy to read and an absolutely essential purchase for any Highlander fan." —We Are Cult

The Forgotten Highlander May 05 2020 Alistair Urquhart was a soldier in the Gordon Highlanders, captured by the Japanese in Singapore. Forced into manual labor as a POW, he survived 750 days in the jungle working as a slave on the notorious "Death Railway" and building the Bridge on the River Kwai. Subsequently, he moved to work on a Japanese "hellship," his ship was torpedoed, and nearly everyone on board the ship died. Not Urquhart. After five days adrift on a raft in the South China Sea, he was rescued by a Japanese whaling ship. His luck would only get worse as he was taken to Japan and forced to work in a mine near Nagasaki. Two months later, he was just ten miles from ground zero when an atomic bomb was dropped on Nagasaki. In late August 1945, he was freed by the American Navy—a living skeleton—and had his first wash in three and a half years. This is the extraordinary story of a young man, conscripted at nineteen, who survived not just one, but three encounters with death, any of which should have probably killed him. Silent for over fifty years, this is Urquhart's inspirational tale in his own words. It is as moving as any memoir and as exciting as any great war movie.
