Discerning Grace (The White Sails Series Book 1) Aug 23 2019 As the first full-length novel in The White Sails Series, DISCERNING GRACE captures the spirit of an independent woman whose feminine lens blows the ordered patriarchal decks of a 19th century tall ship to smithereens. Wilful Grace Baxter, will not marry old Lord Silverton with his salivary incontinence and dead-mouse stink. Discovering she is a pawn in an arrangement between slobbery Silverton and her calculating father, Grace is devastated when Silverton reveals his true callous nature. Refusing this fate, Grace resolves to stow away. Heading to the docks, disguised as a lad to ease her escape, she encounters smooth-talking naval recruiter, Gilly, who lures her aboard HMS Discerning with promises of freedom and exploration in South America. When Grace's big mouth lands her bare-bottomed over a cannon for insubordination, her identity is exposed. The captain wants her back in London but his orders, to chart the icy archipelago of Tierra del Fuego, forbid it. Lieutenant Seamus Fitzwilliam gallantly offers to take Grace off the fretting captain's hands by placing her under his protection. Grace must now win over the crew she betrayed with her secret, while managing her feelings towards her taciturn protector, whose obstinate chivalry stifles her new-found independence. But when Grace disregards Lieutenant Fitzwilliam's warnings about the dangers of the unexplored archipelago, it costs a friend his life and she realises she is not as free as she believes. DISCERNING GRACE is historical women's fiction that will appeal to fans of Claire Fraser from Outlander and Demelza Poldark from Poldark—in other words, fans of feisty historical female leads. It is a B.R.A.G. Medallion Honoree.

Brothers In Arms Dec 27 2019 The Complete 'Brothers in Arms Series' Boxset. Dive into three

Navy Seal romances! This series focuses on Navy SEALs who were "Brothers-in-Arms". SEAL Defender Mark Aleki Rogers left the Navy SEALs behind, but he found another use for his special skills. He and his fellow "Brothers-in-Arms" now run an intense boot camp that trains civilians to survive extreme situations. Mark's size is intimidating, but the half-Samoan surfer is an eternal optimist. A suspicious string of suicides among SEALs, however, has Mark convinced it's murder. He's determined to get to the bottom of it...quietly. If he doesn't, a murderer may go free. Reporter Geneva Rios has come to the California coast looking for a story. The recent SEAL suicides are connected to the Brothers-in-Arms, and Geneva wants to know more. The interview she's hoping for, though, comes at a price. The smoking-hot SEAL won't talk unless she completes his training course. If she can survive Mark's audition, she'll have the angle she needs. Spending more time with Mark has its own perks, but for the exotic brunette, exposing the Navy SEALs is more than just a story...it's personal. SEAL Protector Ex-Navy SEAL Vann Highrider has given everything to Brothers-in-Arms, the boot camp he owns with his teammates. He's facing his toughest mission yet—someone is framing the SEALs for murder. It's up to Vann to clear their name to keep their business afloat...and his Brothers out of jail. The last thing he needs is more bad press from a stupid accident. So when he finds a petite brunette failing miserably at his survival course, the Cherokee tracker wants to send her packing. Yet there's something about her he can't say no to.... But if she wants a second chance, she'll have to follow his every move. Restaurant heiress Mercy Conde may be business savvy, but she's always lacked physical prowess. If she wants to take her family's empire overseas, though, she has to prove she can take care of herself. Brothers-in-Arms' survival training seems like the perfect fit, but it doesn't take long for this deep thinker to realize she's in over her head. When tall, dark, handsome Vann offers to take her under his wing, she agrees to play things his way...especially when his way has her under more than just his wing. SEAL Guardian Ex-Navy SEAL Jace Stevens has never shied away from trouble and with the madman framing the Brothers-in-Arms for murder still on the loose, Jace is ready to put an end to the killing for good. Only one person stands in his way: a tough-as-nails FBI agent who suddenly won't let Jace out of her sight. But the dark-haired beauty is more than just a complication. Jace can sense there's something special beneath her buttoned-up exterior, and he can't wait to get his hands on it. FBI agent Felicity Belasko always gets her man, and this case should be no different. She knows the SEAL suicides are really murders, and she's sure there's a connection to the Brothers-in-Arms. But are they suspects...or potential victims? When her investigation leads to Jace Stevens, she can tell the blond troublemaker is masking something even more dangerous. He wants to stop the killer on his own, but Felicity can't let that happen. Wickedly handsome Jace may be making her wild, but she always plays by the rules. As the heat flares between them, a killer plots his next move. Can Felicity and Jace find a way to work together, or will a madman continue to get away with murder?

Who Can Turn Me on the Most! X: Reverse Harem, Domination, BdsM & Erotica Jun 13 2021 Warning! Contains Intense Domination! All is fair in love and war when a horny princess takes advantage of her husband's absence to explore into a world of lust outside of their matrimonial bond. Princess Gabri's beauty only lies skin deep, and her evil lust thrives in the dark. The desperate royal dignitary abuses her power as she struggles to find her sexual identity. She loves her husband, the Prince, but she is not easily able to find it within herself to be the wife a man of royalty desires. Her erroneous quest to rediscover the sheer feeling of sexual gratification that she once knew, when a climax was something new and unimaginable, leads to an onslaught of female dominance, lust, and betrayal. The Kingdom thrives as a world reserve for natural resources. In that effect, a brave prince fights to preserve what his people have worked for through the years that have made the Kingdom a stronghold. As he does so, when he is off fighting potential invaders, his beautiful wife uses the time to unleash her lustful desires. Only her emotions are rational and harsh, as she takes advantage of slaves, uses her authority to cover the details concerning her actions, and brings about bloodshed as a result. The story reveals the valor of brave warriors and their leader, a prince, who fights to come home to the things that they love, including the woman he loves. As the story unfolds, the prince finds himself dealing with the very same obstacle that he fights to avoid. The prince struggles to deal with the people he trusts, his honor, and the bed that he and his wife share. When Princess Gabri finally finds the man who arouses her the most, the story sheds light on the most conflicting element of the plot. The story revolves around the sensational detail revealed by passionate desire. The fire and rage in a woman to conquer her own demons lie within the realm of dangerous lust. Princess Gabri is on a mission to find her true sense of sexual satisfaction. At the same rate, she reveals the concepts that satisfy her aside from the throbbing painful pleasure of exotic sex. The woman is elated to see a man in bondage, while at the same rate, she taunts men knowing they admire her perfectly etched curves and beautiful face. The story reveals a wicked woman entrusted to be a gentle soul. When the weak are made strong by the loins of a princess, a turn of events erupt that parallel the confusion brought about among an array of betrayal and ill intentions among royalty and the people they trust. The skillful mastery of weapons of war is no match for the scorn of a woman. The passionate desires of a woman can lead to uncovering the rational aggressiveness instilled in the character of a woman. The story is set in a royal setting somewhere on a timeline that we can place almost anywhere in history, or maybe even the future, while time can only tell the fate of civilization as we know it. The characterizations evident of each character are set in stone, revealing love, loyalty, and betrayal. The story revolves around war. In doing so, the abstract detail tells the story in that effect. A time and place perfect for any of the actions involved in the story streamlines the dialogue, amazingly dictated around a scheme surrounding a sexually domineering woman and her will to see men punished. Like a black widow, Princess Gabri carries out her actions to rediscover her most innermost feelings. Love leads to war, loyalty leads to betrayal, and lust leads to death! Heartstone Oct 25 2019 A debut historical fantasy that recasts Jane Austen's beloved *Pride & Prejudice* in an imaginative world of wyverns, dragons, and the warriors who fight alongside them against the monsters that threaten the kingdom: gryphons, direwolves, lamias, banshees, and lindworms. They say a Rider in possession of a good blade must be in want of a monster to slay—and Merybourne Manor has plenty of monsters. Passionate, headstrong Aliza Bentaine knows this all too well; she's already lost one sister to the invading gryphons. So when Lord Merybourne hires a band of Riders to hunt down the horde, Aliza is relieved her home will soon be safe again. Her relief is short-lived. With the arrival of the haughty and handsome dragonrider, Alastair Daired, Aliza expects a battle; what she doesn't expect is a romantic clash of wills, pitting words and wit against the pride of an ancient house. Nor does she anticipate the mystery that follows them from Merybourne Manor, its roots running deep as the foundations of the kingdom itself, where something old and dreadful slumbers . . . something far more sinister than gryphons. It's a war Aliza is ill-prepared to wage, on a battlefield she's never known before: one spanning kingdoms, class lines, and the curious nature of her own heart. Elle Katharine White infuses elements of Austen's beloved novel with her own brand of magic, crafting a modern epic fantasy that conjures a familiar yet wondrously unique new world.
