2014 International Conference on Economics and Management (ICEM2014). Oct 05 2020 ICEM2014 is to offer scholars, professionals, academics and graduate students to present, share, and discuss their studies from various perspectives in the aspects of social science. The ICEM2014 is hosted by Advance Information Science Research Center and is sponsored by DEStech Publication, Inc., South China University of Technology, Guangdong University of Foreign Studies. This proceedings tends to collect the up-to-date, comprehensive and worldwide state-of-art knowledge on economics and management. All of accepted papers were subjected to strict peer- reviewing by 2–4 expert referees. The papers have been selected for this proceedings based on originality, significance, and clarity for the purpose of the conference. The selected papers and additional late-breaking contributions to be presented will make an exciting technical program on conference. The conference program is extremely rich, featuring high-impact presentation. We hope this conference will not only provide the participants a broad overview of the latest research results on economics and management, but also provide the participants a significant platform to build academic connections. ICEM2014 would like to express our sincere appreciations to all authors for their contributions to this conference. We would like to extend our thanks to all the referees for their constructive comments on all papers; especially, we would like to thank to organizing committee for their hard working.

Sports Agents and Labour Markets Jun 20 2019 The sports agent has become a highly significant figure in contemporary sport business. The role of the agent is essential to our understanding of labour markets and labour relations in an increasingly globalised sports industry. Drawing on extensive empirical research into football around the world, this book explains what agents do, how their role has changed, and why this is important for future sport business. Offering analysis from economic, legal, social and historical perspectives, the book explores key topics such as: the history of sports agents including the emergence of the modern agent in US sport typologies and demographic profiles of agents in football valuations and organisational analysis of leading European agents and agencies relations between agents and clubs future directions for research into sports agents. Focusing on the major European leagues, this book goes further than any other in illuminating an important but under-researched aspect of contemporary sport business. It is a valuable resource for any student, researcher or policy-maker with an interest in sport business, sport management, sport policy, the economics of sport or labour economics.

ECAI 2016 Jan 08 2021 Artificial Intelligence continues to be one of the most exciting and fast-developing fields of computer science. This book presents the 177 long papers and 123 short papers accepted for ECAI 2016, the latest edition of the biennial European Conference on Artificial Intelligence, Europe's premier venue for presenting scientific results in AI. The conference was held in The Hague, the Netherlands, from August 29 to September 2, 2016. ECAI 2016 also incorporated the conference on Prestigious Applications of Intelligent Systems (PAIS) 2016, and the Starting AI Researcher Symposium (STAIRS). The papers from PAIS are included in this volume; the papers from STAIRS are published in a separate volume in the Frontiers in Artificial Intelligence and Applications (FAIA) series. Organized by the European Association for Artificial Intelligence (EurAI) and the Benelux Association for Artificial Intelligence (BNVKI), the ECAI conference provides an opportunity for researchers to present and hear about the very best research in contemporary AI. This proceedings will be of interest to all those seeking an overview of the very latest innovations and developments in this field.

The Business of Sports Agents Dec 07 2020 Successful sports agents are comfortable with high finance and intense competition for the right to represent talented players, and the most respected agents are those who can deal with the pressures of high-stakes negotiations in an honest fashion. But whereas rules and penalties govern the playing field, there are far fewer restrictions on agents. In *The Business of Sports Agents*, Kenneth L. Shropshire, Timothy Davis, and N. Jeremi Duru, experts in the fields of sports business and law, examine the history of the sports agent business and the rules and laws developed to regulate the profession. They also consider recommendations for reform, including uniform laws that would apply to all agents, redefining amateurism in college sports, and stiffening requirements for licensing agents. This revised and expanded third edition brings the volume up to date on recent changes in the industry, including: —the emergence and dominance of companies such as Creative Artists Agency and Wasserman Media Group —high-profile cases of agent misconduct, principally Josh Luchs, whose agent certification was revoked by the NFLPA —legal challenges against the NCAA that may fundamentally change the definition of amateurism —changes to agent regulations resulting from new collective bargaining agreements in all of the major professional sports —evaluation of the effectiveness of the Uniform Athlete Agents Act (2000) to regulate agent conduct —issues faced by the increasing number of agents representing athletes who work abroad as well as athletes from abroad who work in the United States. Whether aspiring sports agent, lawyer, athlete seeking an agent, or simply interested in understanding the world of sports representation, the reader will find in *The Business of Sports Agents* the most comprehensive overview of the industry as well as a straightforward analysis of its problems and proposed solutions.

Wiley Series 63 Exam Review 2014 + Test Bank Sep 28 2022 The go-to guide to acing the Series 63 Exam! Passing the Uniform Securities Agent State Law Examination (Series 63) qualifies an individual to act as a securities agent. The exam covers the principles of state securities regulation as reflected in the Uniform Securities Act and its amendments and related rules, as well as ethical practices and fiduciary obligations. Many states require an agent to pass the Series 63 exam in addition to the Series 6, 7 or 62 exams

to conduct securities business within the state. Created by the experts at The Securities Institute of America, Inc., Wiley Series 63 Exam Review 2014 arms you with everything you need to pass this challenging 60-question test.
